## *Where Love Is*

Where love is, there God is also.  
Where love is, we want to be.  
Guide us, his truths to follow;  
Help us obey him faithfully.

Where love is, there God is also.  
We think of him rev'rently.  
Teach us to pray, to talk with  
him above  
And know that he will guide us  
with his love.

The comfort of loving arms  
around us,

A song that makes us want to  
sing,  
The happiness we feel when  
love has found us,  
'Tis love we get when love we  
bring.

Where love is, there God is  
also.  
And with him we want to be.  
Show us the way and guide us  
tenderly  
That we may dwell with him  
eternally.
